

How Avignon Sires Compare.....

Avignon sires are specifically selected for their combination of genotype and phenotype. Below is a comparison to how our sires compare to the breed in fundamental profitability traits. By producing 'front paddock' cattle with unrivalled performance you can breed cattle that you are proud to own and sought after in the market.

The Avignon Advantage;

Avignon Advantage at Weaning	+10kg	\$40
Avignon Advantage at Yearling	+18kg	\$72

MORE CALVES, MORE KILOGRAMS, HIGHER GRADES = MORE PROFIT!
